

# Which Fleetguard Product Is Right For You?

Fleetguard offers a choice of coolant (antifreeze) products in North America to meet every need for every type of engine, from diesel to natural gas to gasoline. From lowest cost to extended service intervals, these products are formulated by engine experts to provide exceptional protection over the life of your equipment.

ES Compleat™ OAT	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> <li>Organic additive extended life coolant/antifreeze</li> <li>Life-of-the-Engine, 1,000,000-mile (20,000 hr) coolant*</li> <li>Free of nitrite, amine, phosphate, borate, silicate and 2-ethylhexanoic acid</li> <li>Compatible with non-metals, including silicon seals and hoses</li> </ul>	Heavy-Duty (wet liner) Diesel Natural Gas Light Duty (parent bore) Gasoline	ASTM 3306/6210 CES14603 CES14439 CES14636 Navistar Type IIIA Detroit Diesel DFS93K217ELC TMC 338 EC-1 (performance)
	Best choice for all heavy and light duty diesel, gas, natural gas, and electric vehicles and engines	

ES Compleat™ NOAT	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> <li>Nitrited organic additive extended life coolant/antifreeze</li> <li>Life-of-the-engine (20,000 hr coolant with the use of extender at mid-life)</li> <li>2-EH Free</li> </ul>	Heavy-Duty (wet liner) Diesel Natural Gas	ASTM 3306/6210 CES14603 CES14439 Navistar Type III TMC 329 EC-1 (performance)
	Best choice for systems requiring nitrite; ELC and EC1 systems	

ES Compleat™	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> <li>Fully formulated extended service coolant</li> <li>Life-of-the-engine, 1,000,000 (20,000 hr) coolant with the use of DCA4</li> <li>2-EH Free</li> </ul>	Heavy-Duty (wet liner) Diesel Natural Gas	ASTM 3306/6210 CES14603 CES14439 Navistar Type II TMC 329B
	Great choice for Cummins applied HD and HHP engines	

Fleetcool™ EX	Applications	Specification/ Performance Level
<ul style="list-style-type: none"> <li>Fully formulated extended service coolant</li> <li>Life-of-the-engine, 1,000,000 (20,000 hr) coolant with the use of DCA2</li> <li>2-EH Free</li> </ul>	Heavy-Duty (wet liner) Diesel Natural Gas	ASTM 3306/6210 CES14603 CES14439 Navistar Type II TMC 329B Detroit Diesel DFS93K217SLC
	Great Choice for DD and phosphate-free systems	

Fleetcool™	Applications	OEM Specification/ Performance Level
<ul style="list-style-type: none"> <li>Fully formulated standard service coolant</li> <li>No SCA pre-charge required</li> <li>2-EH Free</li> </ul>	Heavy-Duty (wet liner) Diesel	ASTM 3306/6210 CES14603 CES14439 Navistar Type II TMC 329B Detroit Diesel DFS93K217SLC
	Great Choice for Heavy-Duty conventional system	

+ Right products.  
Trusted advice.
